13th Annual SHOW and SALE

Shorthorns have proved their right to be termed "the Universal Breed" by having pioneered the beef cattle cause everywhere beef cattle are raised. They were the world's first improved bovine breed. The Shorthorn matron is called "The Farmer's Cow" because of her capability to produce offspring which, due to her abundant milk yield, develop quickly to that weight-for-age which means most profit to owners. Shorthorn sires have become famous the world over because of their power to transmit the breed's outstanding characteristics to their get, thus working marked improvement in offspring of whatever cows with which they are mated. That's why breeders over the country are switching to Shorthorn bulls. The cross-bred calves inherit that weight-for-age, better hind quarters, more milk in replacement heifers, quiet, easy-feeding dispositions—all of which mean more profit for owners.

Beef production is playing an increasingly important part in the profitable conversion of land from a one-crop system to a general program, which not only pays extra dividends but also enriches the soil thereby aiding your soil conservation program. We are confident that all buyers in this sale will find the Shorthorns consigned will furnish seed and provide new blood that will exert a marked and favorable influence on livestock future. This consignment of bulls and females should give you an opportunity to secure dependable Shorthorn blood. All of the animals in this sale, bulls and females, are presented in thrifty working condition.

We invite you to inspect the cattle and appraise them at your own value.

JACK RAINS, Sale Manager, R. 2, Connersville, Ind.

MARIGOLD 33D—A good headed dark red heifer sired by Marellbar Comet. Her dam has raised three dark red heifers in succession and this is the first one we have ever offered for sale, they are good milkers and the very best disposition. This same family produced Marigold 29th that Robinwood Farms sold for \$1000 in the International Sale. This heifer was bred on June 7 to our new herd bull Kickapoo Monarch, who with his sister stood second in the pair of calves class at the 1950 International.

M & S R P ESTELLE is a female we are consigning as an added attraction. She has a nice head, is thick, is short legged and very typy. She was champion female in the B. & O. Gold Medal Show at Rushville also champion in County Shows. We topped the sale in 1951 with Robinwood Clipper 11th. This is easily the best heifer we ever consigned to any auction. Be sure and see her sale day.
